

## Support Your Organization with a Helping Hand

Market Day is a monthly program that offers our families the opportunity to support our organization's fundraising efforts by purchasing delicious, high quality foods.

We could use your help! Make a difference in your community by volunteering today!

If you would like to volunteer or want more information about how you can help, please contact **Kathleen Spitz** at [marketday@stmarywc.org](mailto:marketday@stmarywc.org) or complete and return this form.
